Request refrigeration/kitchen service

Commercial : Refrigeration/Kitchen Equipment

Service : Repair : Remodeling

Commercial: Food Service Equipment Service and Repair

From Katz's Deli to Landry's Seafood to Taco Bell, Austin restaurant owners and food service operators trust Fox to keep their businesses up and running when vital equipment breaks down. Fox's pool of trained technicians is available 24 hours a day and can respond to a food service emergency fast and fix the problem effectively the first time.

Avoid Costly Repairs with Fox's Inspection Contracts

Fox offers inspection and maintenance contracts for your food service equipment. Under a Contract, Fox will schedule regular inspections and maintenance of your equipment as often as necessary throughout the year. This is the best way to keep your equipment in top condition and to avoid the costs associated with broken equipment and lost business.

Call Fox for service and repair to the following:

Refrigeration/Appliances

- Display Cases
- Refrigerators
- Walk-in Coolers/Freezers
- Dishwashers
