

ZoomTown from Cincinnati Bell

# Do more. Live more.

**BOOST YOUR INTERNET ACCESS WITH ZOOMTOWN™**

Whether you'd like more time to play with your kids or to build your business, ZoomTown makes the Internet a more convenient and efficient tool for your busy lifestyle.

Today, high-speed access isn't just for compulsive Net surfers or techno-braggarts. It's for everyone who wants to maximize their time and productivity while using the Internet. With ZoomTown from Cincinnati Bell, time you now spend waiting for files to download – or waiting to use the phone while you're online – could be used to get on with the business of living.

**What you get with ZoomTown from Cincinnati Bell:**

**Super-fast connection and download**—what used to take 10 minutes now takes 12 seconds

**A freed-up phone line**—you can be online and on the phone simultaneously (it's less expensive than a second phone line).

**Dedicated speed** even during peak hours. ZoomTown does not require you to share your connection like cable service does, so you're assured consistent high speed.

**Pay only one bill each month** for your local phone line, Internet access, high-speed service and any other telecommunications services you need.

**Access to multimedia services\*** that you can only get with ZoomTown, including:

**CoolCast**—surf the Net while listening to radio or watching TV broadcasts on your computer.

**SelectPlay**—unlimited, on-demand play of the newest CD-ROM titles, including sports, games and educational content.

**Intertainer**—on-demand movies, music videos, TV shows, concerts and more to watch on your computer.
